counterintuitive, but you need fats—both saturated and unsaturated—to stay healthy and lean. As noted in a past issue of Muscle & Fitness, adding plenty of fats to your diet helps nourish your hair, skin, and nails, and provide the foundation for hormones like testosterone. “Cavemen didn’t eat low-fat bison; they ate what they could hunt,

Doing this helps you learn how and when to use English words and phrases. And because you are learning words through sentences, you are learning grammar too. Learning from a strong context means learning something from a book, a TV show, or a conversation. This context tells you in which situations this English is used.
