Research Handbook on International Human Rights Law ...

Without a doubt, the long-awaited research handbook for our times has arrived with the twin "evils" (for some) brilliantly covered here by Edward Elgar Publishing as part of their series of research handbooks in European Law, namely EU Law and Human Rights Law. The editors comment, in the introduction, that the "place of human rights in EU law has been a central issue in contemporary debates about the character of the European Union as a political organisation".
